Forecast For Northern Ireland
Issued by Met Office Aberdeen
at 0400 on Friday 26 Mar 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Sunshine and showers, turning over wintry higher ground. Cold.

Today:
A much colder day despite some bright or sunny spells. Scattered heavy showers, most frequent in the west, wintery on high ground. Cloudier with more persistent rain late afternoon. Maximum temperature 9 deg C (48 deg F).

Tonight:
Rain early evening clears by late evening to scattered showers and clear spells. Showers likely to turn heavier and more frequent for a time overnight, but dry by dawn. Minimum temperature -2 deg C (28 deg F).

Saturday:
A cold, frosty start leading to a dry morning, but turning cloudier and windier. Outbreaks of rain in the afternoon. Maximum temperature 10 deg C (50 deg F).

Outlook for Sunday to Tuesday:
Mostly dry but cloudy on Sunday, rain later in the day and overnight. Rain likely to persist through Monday and into Tuesday. Rain clears later Tuesday, sunny spells later. Breezy.
